COMPANY PROFILE

MAAMOUN GRP.
SINCE 1909

FROM FARM TO FORK

WHO WE ARE

A modern food company creating versatile, everyday products for retail and distribution

Founded in 1986, DAVO has evolved from a traditional agriculture business into a fully integrated food company, combining farming, sourcing, and product development. With capabilities spanning hydroponic cultivation and conventional sourcing, DAVO ensures consistent quality, traceability, and supply reliability across a diverse ingredient base.

Today, DAVO develops consumer-ready products designed for modern retail, while also supporting partners through private label and tailored product solutions. DAVO operates as part of the Maamoun Group, a diversified business with a long-standing presence across multiple industries, providing a strong foundation for growth and expansion.

Key Highlights

- Integrated model: sourcing → processing → packaging
- Hydroponic + traditional farming capabilities
- Expanding across ingredient-led food categories
- Private label & custom product solutions

Frozen. Canned. Dry
